OVERVIEW:

Discover nature & wildlife up close & in the wild on this fantastic two-day odyssey where you will experience the best of Kangaroo Island. See kangaroos, koalas and wonderful native birdlife in their natural habitats, wander past wild Australian Sea-lions, lunch in style in a private bush setting and visit formations such as Remarkable Rocks and Admirals Arch. To cap it all off, a great range of accommodation awaits you.

Kangaroo Island Highlights (2 Day/1Night) continued

ITINERARY:

Day 1

Early morning pick up from your Adelaide hotel for a scenic coach trip to Cape Jervis to connect with SeaLink's ferry for the 45 minute crossing to Kangaroo Island or travel via air to Kingscote Airport. On arrival at Penneshaw or Kingscote Airport you will be met by your guide and your island nature experience begins with an introduction to Kangaroo Island. Tour through several island habitats and see wildlife in its natural environment. Kangaroo Island is a haven for Australian wildlife, which exists in its natural habitat without the threat of introduced predators. Listen to the distinct sounds of the native birdlife as they chorus from the tall eucalyptus trees. Kangaroo Island is home to some 250 species of birds, many of which, through isolation from the mainland, have developed their own subspecies and are therefore unique to Kangaroo Island. As you travel the island keep an eye out for echidnas, wallabies, reptiles and wildflowers.

At the spectacular Seal Bay Conservation Park, your guide will escort you on a memorable walk along the beach. This bay is home to a healthy Australian Sea-lion colony. Walk among the sea-lions as they bask on the beach or among the sand dunes after their extensive fishing expedition. With your guide you are able to stand at a safe distance to these wonderful endangered creatures and hear them sigh and watch them at play. This is a truly unforgettable experience — one that you will treasure forever.

Enter our exclusive Heritage-listed natural bush property to enjoy a delicious gourmet style lunch with complimentary wine. Follow your lunch with a pleasant bushwalk looking out for koalas in the eucalyptus trees. Travel through the island's interior keeping an eye out for koalas and echidnas. Explore the spectacular beaches of the north coast and enjoy a bushwalk. Listen for Australia's rarest cockatoo, the Kangaroo Island glossy black cockatoo and watch out for the Tammar wallaby, with its small, fine features, in its natural habitat. Later in the afternoon, as the day draws to a close, see the kangaroos leave the safety of the bush to begin grazing on the open pastures. Your coach will return you to your accommodation for your overnight stay on Kangaroo Island.

Day 2

This morning we travel to the western section of the island and discover the remarkable Flinders Chase National Park, one of the oldest and most important national parks in South Australia. The park incorporates almost 20 per cent of the island and much of it is a Wilderness Protection Area, home to a variety of fauna and flora unique to Kangaroo Island. Enjoy the opportunity to walk through the park in search for kangaroos, wallabies and a variety of birdlife. See at close range some of the 10,000 healthy New Zealand fur seals in their colony at Cape du Couedic and discover the formation of the Remarkable Rocks. These large granite boulders balance dramatically on the cliff edge, which plunges 75 metres into the turbulent Southern Ocean below. At Admirals Arch see where the powerful forces of nature have cut through the headland to create this natural geological formation. A delicious gourmet style lunch with complimentary wine will be served in a secluded bush setting. During the day koalas can be observed peacefully existing in their treetop habitat. By special permit, enter the Kelly Hill Conservation Park to see kangaroos and other native wildlife emerge from the safety of the bushland to graze on the open plains.

If time permits, visit Point Ellen at Vivonne Bay, recently voted Australia's best beach. Your tour concludes at either Kingscote Airport for your return flight to Adelaide, or at Penneshaw in time for the return ferry to the mainland and coach transfer to Adelaide.

Please Note: Itinerary is subject to change as the touring is flexible & adapted to the client's interests.

Kangaroo Island Highlights (2 Day/1Night) – continued

ACCOMMODATION OPTIONS:

Standard Accommodation

The Aurora Ozone Hotel is centrally located on the Kingscote foreshore, overlooking Nepean Bay. The spacious rooms all feature water views and modern facilities. The bar/restaurant, with its superb ocean views offers Kangaroo Island produce and wine. (RO = Room Only).
